Refer to your Development Covenants as a guide to help you fill out this deck review sheet.

You will need to submit a to-scale site plan of your property showing the deck specifications and plans and where it will go on your lot.

You can obtain a to-scale site plan from your builder.

Please submit this review sheet and to-scale site plan, along with pictures of the type/color of any materials being used.

If you plan to have any landscaping done around your deck, please submit a separate landscaping review sheet.
